Subject: RE: Department surveys for Animal Control - April 2012

Michael was talking with Mr. Johnson and Mr. Johnson was being very rude and walked away and slapped the door on Michael. So Michael left the citation on the gate. Once Michael talked with me and I called Mr. Johnson and we cancelled that citation and rewrote a citation for 1 dog running at large and they are on a payment plan and turned 3 dogs into our shelter. The citation was written to Sheri Johnson not Don Johnson and is numbered #0237. The citation was written for 1 dog running at large and training surplus which equals \$55.00. Dated 4/23/12

Please look into the Don Johnson complaint and get back to me. I need to let Bradley know how we followed up. Thanks...
